Disclaimer: Spelling of Names:

The names are spelled to the best of our ability considering we are using hand written rosters from the coach and scorekeepers who have tried to decipher them

Highlights: (When is a double not a double?)

A parent may think their son hit a double and should be in the highlights... When in fact it could have been a single with a fielder's choice and a stolen base to 2nd on an over throw...

We take the highlights from the official score sheets and unfortunately it is difficult to intrepid some score sheets. If you really think your child has been wronged on being in the highlights have your coach check the "Official Scorebook" (Not his) and bring it to the attention of the Tournament Staff.
