Disclaimer Highlights: (When is a double not a double?)

A parent may think their son hit a double and should be in the highlights... When in fact it could have been a single with a fielder's choice combined with an over thrown ball so the runner STOLE 2nd... We take the highlights from the official score sheets and unfortunately it is difficult to intrepid some scorekeepers documentation of a hit. If you really think your child has been wronged on being in the highlights have your coach check the "Official Scorebook" (Not his) and bring it to the attention of the Tournament Staff on site. I can not change a highlight without permission of the Tournament Staff - Thanks webmaster@washdist9.org
